Signature Metals Limited – Suspension from quotation – Annual Report

Signature Metals Limited (**Signature** or **the Company**) notes that its ordinary shares have been suspended from quotation on ASX from the opening of trade on 1 July 2014, due to the Company not lodging its annual report within the timeframe required under the ASX Listing Rules.

Signature is currently working through its funding requirements with its majority shareholder LionGold Corp, which will enable the Company to finalise its assessment of the carrying value of its assets and liabilities. This has resulted in a delay in the ability of the Company to release its full year results by 30 June. Management is doing all that is necessary to expedite the finalisation of the accounts, in order that it may make the required lodgements.
