## **BRIERTY AWARDED \$17 MILLION CONTRACT AT PERTH AIRPORT**

---

### **HIGHLIGHTS**

- **\$17 million contract for road infrastructure works at Perth Airport**
  - **Works to commence in July and be completed in early 2015**
  - **Builds on longstanding relationship with Perth Airport**
- 

Diversified contractor Brierty Limited (ASX: BYL) is pleased to announce it has been awarded a \$17 million contract to construct the new Airport Drive and associated infrastructure at Perth Airport.

Works will include clearing, earthworks, drainage, road pavements, service protection and relocations, lighting and road furniture. The works will be constructed under live traffic whilst maintaining access and limiting inconvenience for the travelling public.

Brierty will commence work on the project in July, with expected completion in early 2015.

Airport Drive is a new 1.6 kilometre road that will provide direct access from the Tonkin Highway and Leach Highway interchange, currently under construction, to Terminals 1 and 2, via Horrie Miller Drive.

Brierty Managing Director Peter McBain said it was pleasing Brierty had been selected for the contract, building on the Company's long-standing relationship with Perth Airport.

"Our ability to win our 19<sup>th</sup> project at Perth Airport demonstrates the quality of work Brierty has delivered for clients in critical operating environments," Mr McBain said. "Our record of securing repeat work is very important, as it illustrates Brierty's track record in safely delivering quality contracts on time and budget, providing certainty for our clients.

"We have a proven ability to deliver on civil works in the complex airport environment and we are continuing to pursue a number of additional projects in this sector."

Previous works completed by Brierty at Perth Airport include major road intersections, internal link roads, expansion works and car parks.

Following this contract award, Brierty has work in hand of approximately \$570 million of which \$250 million relates to work secured for the 2015 Financial Year.
