Lifting of Prohibition Notice – Birla Nifty

Aditya Birla Minerals Limited (ABML) is pleased to advise that it has received notification from the Department of Mines and Petroleum (DMP), that the Prohibition Notice, which was imposed subsequent to the development of a sinkhole at the Nifty underground copper mine, has been lifted by the DMP.

The DMP has requested initial monthly update meetings with Inspectors of Mines to discuss the following:

- Proposed mining schedule
- The progress of underground recommencement activities
- Ongoing geotechnical monitoring and analysis
- Other relevant matters

The Company is proceeding to complete the detailed stoping, development and production schedule for the mine to ensure an expedient recommencement of operations, whilst always ensuring the safety of its employees.

The Company shall in due course provide a timing schedule for the gradual resumption of operations.
