NOTICE OF ANNUAL GENERAL MEETING

Notice is given that the Annual General Meeting of Shareholders of Thundelarra Limited ACN 085 782 994 (Company) will be held at The Boardroom, Stantons International, Level 2, 1 Walker Avenue, West Perth, Western Australia on Friday 26 February 2016 at 10.30am WST for the purpose of transacting the following business referred to in this Notice of Annual General Meeting.

1 Resolution 1 – Non Binding Resolution to adopt Remuneration Report

To consider and, if thought fit, pass the following resolution as a **non-binding resolution**:

"That the Remuneration Report for the year ended 30 September 2015 as set out in the 2015 Annual Report be adopted."

Note: The vote on this Resolution is advisory only and does not bind the Directors or the Company. Shareholders are encouraged to read the Explanatory Memorandum for further details on the consequences of voting on this Resolution.

Voting exclusion statement: The Company will disregard any votes cast on Resolution 1 by or on behalf of a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or their Closely Related Parties.

However, the Company need not disregard a vote if:

- (a) it is cast by a person as a proxy appointed by writing that specifies how the proxy is to vote on the proposed Resolution or the proxy is the Chair of the Meeting and the appointment of the Chair as proxy does not specify the way the proxy is to vote on the resolution and expressly authorises the Chair to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel; and
- (b) it is not cast on behalf of a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or their Closely Related Parties.

Further, a Restricted Voter who is appointed as a proxy will not vote on Resolution 1 unless:

- (a) the appointment specifies the way the proxy is to vote on Resolution 1; or
- (b) the proxy is the Chair of the Meeting and the appointment expressly authorises the Chair to exercise the proxy even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

Shareholders should note that the Chair intends to vote any undirected proxies in favour of Resolution 1. Shareholders may also choose to direct the Chair to vote against Resolution 1 or to abstain from voting.

If you purport to cast a vote other than as permitted above, that vote will be disregarded by the Company (as indicated above) and you may be liable for breaching the voting restrictions that apply to you under the Corporations Act.

How to vote

Shareholders can vote by either:

- attending the Meeting and voting in person or by attorney or, in the case of corporate Shareholders, by appointing a corporate representative to attend and vote; or
- appointing a proxy to attend and vote on their behalf using the Proxy Form accompanying this Notice of Meeting and by submitting their proxy appointment and voting instructions in person, by post, or by facsimile.

Voting in person (or by attorney)

Shareholders, or their attorneys, who plan to attend the Meeting are asked to arrive at the venue 15 minutes prior to the time designated for the Meeting, if possible, so that their holding may be checked against the Company's share register and their attendance recorded. To be effective a certified copy of the Power of Attorney, or the original Power of Attorney, must be received by the Company in the same manner, and by the same time as outlined for proxy forms below.

Voting by a Corporation

A Shareholder that is a corporation may appoint an individual to act as its representative and vote in person at the Meeting. The appointment must comply with the requirements of section 250D of the Corporations Act. Written proof of the representative's appointment (including any authority under which it is signed) must be lodged with, or presented to the Company before the 2015 Annual General Meeting.

Voting by proxy

- A Shareholder entitled to attend and vote is entitled to appoint not more than two proxies. Each proxy will have the right to vote on a poll and also to speak at the Meeting.
- The appointment of the proxy may specify the proportion or the number of votes that the proxy may exercise. Where more than one proxy is appointed and the appointment does not specify the proportion or number of the Shareholder's votes each proxy may exercise, the votes will be divided equally among the proxies (i.e. where there are two proxies, each proxy may exercise half of the votes).
- A proxy need not be a Shareholder.
- The proxy can be either an individual or a body corporate.
- If a proxy is not directed how to vote on an item of business, the proxy may generally vote, or abstain from voting, as they think fit. However, where a Restricted Voter is appointed as a proxy, the proxy may only vote on Resolutions 1, 3, 4 and 5 if the proxy is the Chair of the Meeting and the appointment expressly authorises the Chair to

exercise the proxy even if the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

- Should any resolution, other than those specified in this Notice, be proposed at the Meeting, a proxy may vote on that resolution as they think fit.
- If a proxy is instructed to abstain from voting on an item of business, they are directed not to vote on the Shareholder's behalf on the poll and the Shares that are the subject of the proxy appointment will not be counted in calculating the required majority.
- Shareholders who return their Proxy Forms with a direction how to vote, but who do not nominate the identity of their proxy, will be taken to have appointed the Chair of the Meeting as their proxy to vote on their behalf. If a Proxy Form is returned but the nominated proxy does not attend the Meeting, the Chair of the Meeting will act in place of the nominated proxy and vote in accordance with any instructions. Proxy appointments in favour of the Chair of the Meeting, the secretary or any Director that do not contain a direction how to vote will be used, where possible, to support each of the Resolutions proposed in this Notice, provided they are entitled to cast votes as a proxy under the voting exclusion rules which apply to some of the proposed Resolutions. These rules are explained in this Notice.
- To be effective, proxies must be lodged by **10.30am WST on 24 February 2016**. Proxies lodged after this time will be invalid.
- Proxies may be lodged using any of the following methods:
 - **By mail:**
Computershare Investor Services Pty Limited

EXPLANATORY MEMORANDUM

This Explanatory Memorandum is intended to provide Shareholders with sufficient information to assess the merits of the Resolutions contained in the accompanying Notice of Annual General Meeting of the Company.

Certain abbreviations and other defined terms are used throughout this Explanatory Memorandum. Defined terms are generally identifiable by the use of an upper case first letter. Details of the definitions and abbreviations are set out in the Glossary to the Explanatory Memorandum.

FINANCIAL REPORTS

The first item of the Notice deals with the presentation of the consolidated annual financial report of the Company for the financial year ended 30 September 2015, together with the Directors' declaration and report in relation to that financial year and the Auditor's Report on the financial report. Shareholders should consider these documents and raise any matters of interest with the Directors when this item is being considered.

No resolution is required to be moved in respect of this item.

Shareholders will be given a reasonable opportunity at the Annual General Meeting to ask questions and make comments on the accounts and on the management of the Company.

The Chair will also give Shareholders a reasonable opportunity to ask the Auditor or the Auditor's representative questions relevant to:

- (a) the conduct of the audit;
- (b) the preparation and content of the independent audit report;
- (c) the accounting policies adopted by the Company in relation to the preparation of the financial statements;
and
- (d) the independence of the Auditor in relation to the conduct of the audit.

The Chair will also allow a reasonable opportunity for the Auditor or their representative to answer any written questions submitted to the Auditor under section 250PA of the Corporations Act.

RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

Section 250R(2) of the Corporations Act requires the Company to put to its Shareholders a resolution that the Remuneration Report as disclosed in the Company's 2015 Annual Report be adopted. The Remuneration Report is set out in the Company's 2015 Annual Report and is also available on the Company's website (www.thundelarra.com).

The vote on Resolution 1 is advisory only and does not bind the Directors or the Company.

However, if at least 25% of the votes cast are against adoption of the Remuneration Report at two consecutive annual general meetings, the Company will be required to put a resolution to the second Annual General Meeting (**Spill Resolution**), to approve calling a general meeting (**Spill Meeting**). If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must then convene a Spill Meeting within 90 days of the second Annual General Meeting. All of the Directors who were in office when the applicable Directors' Report was approved, other than any Managing Director, will need to stand for re-election at the Spill Meeting if they wish to continue as Directors.

The Remuneration Report for the financial year ended 30 September 2015 did not receive a vote of more than 25% against its adoption at the Company's last general meeting held on 27 February 2015. Accordingly, if at least 25% of the votes cast on Resolution 1 are against adoption of the Remuneration Report it will not result in the Company putting a Spill Resolution to Shareholders.

The Remuneration Report explains the Board policies in relation to the nature and level of remuneration paid to Directors, sets out remuneration details for each Director and any service agreements and sets out the details of any equity based compensation.

The Chair will give Shareholders a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report.

Voting

Note that a voting exclusion applies to Resolution 1 in the terms set out in the Notice of Meeting. In particular, the Directors and other Restricted Voters may not vote on this Resolution and may not cast a vote as proxy, unless the appointment gives a direction on how to vote or the proxy is given to the Chair and expressly authorises the Chair to exercise your proxy, even if the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel. The Chair intends to use any such proxies to vote in favour of Resolution 1.

Shareholders are urged to carefully read the Proxy Form and provide a direction to the proxy on how to vote on this Resolution.

RESOLUTION 2 – RE-ELECTION OF FRANK DEMARTE AS A DIRECTOR

Pursuant to Clause 13.2 of the Company's Constitution, Frank DeMarte, being a Director, retires by way of rotation and, being eligible, offers himself for re-election as a Director.

Mr DeMarte has over 31 years of experience in the mining and exploration industry in Western Australia. Mr DeMarte has held executive positions with a number of listed mining and exploration companies and is currently an Executive Director, Company Secretary and Chief Financial Officer of the Company.

Mr DeMarte is experienced in areas of secretarial practice, management accounting and corporate and financial management. Mr DeMarte holds a Bachelor of Business majoring in Accounting and is a Fellow of the Governance Institute of Australia Ltd (formally the Chartered Secretaries of Australia) and a Fellow of the Australian Institute of Company Directors.

Mr DeMarte was first appointed to the board on 30 April 2001.

As Mr DeMarte is standing for re-election, the Company advises the following:

- (a) the Board considers that Mr DeMarte, if elected, will continue to be classified as a non-independent director;
- (b) the Board supports the nomination of Mr DeMarte to be re-elected; and
- (c) the term of Mr DeMarte will, in accordance with article 13.2 of the Company's Constitution, not exceed 3 years.

RESOLUTIONS 3, 4 and 5 – GRANT OF INCENTIVE OPTIONS TO DIRECTORS – MR PHILIP G CRABB, MR FRANK DEMARTE AND MR MALCOLM R J RANDALL OR THEIR NOMINEE(S)

The Company proposes to grant a total of 3,000,000 Incentive Options (each with an exercise price of A\$0.08 and an expiry date of 26 February 2021) to Mr Philip G Crabb, Mr Frank DeMarte and Mr Malcolm R J Randall (**Participating Directors**), or their nominees.

Related Party Transactions Generally

Chapter 2E of the Corporations Act prohibits a public company from giving a financial benefit to a *related party* of the public company *unless* either:

- (a) the giving of the financial benefits falls within one of the nominated exceptions to the provision; or
- (b) Shareholder approval is obtained prior to the giving of the financial benefit and the benefit is given within 15 months after obtaining such approval.

For the purposes of Chapter 2E of the Corporations Act, each of the Participating Directors (or their nominees) is a related party of the Company.

Resolutions 3, 4 and 5 relate to the proposed grant of Incentive Options to the Participating Directors, which is a financial benefit that requires Shareholder approval for the purposes of section 208 of the Corporations Act.

Information Requirements – Chapter 2E of the Corporations Act

For the purposes of Chapter 2E of the Corporations Act, the following information is provided.

The related parties to whom the proposed Resolutions would permit the financial benefit to be given and the nature of the financial benefit

Subject to Shareholder approval, the Incentive Options will be issued as set out in the table below.

The proposed financial benefit to be given is the grant of Incentive Options for no consideration to the Participating Directors.

The table below also sets out the amounts that will need to be paid to the Company by the Participating Directors if the Incentive Options are exercised.

Director	Number of Incentive Options	Amount to be paid (A\$)
Mr Philip G Crabb, or his nominee(s)	750,000	\$60,000
Mr Frank DeMarte, or his nominee(s)	1,500,000	\$120,000
Mr Malcolm R J Randall, or his nominee(s)	750,000	\$60,000
Total	3,000,000	\$240,000

The details of the financial benefit including reasons for giving the type and quantity of the benefit

The terms of the Incentive Options are set out in Annexure A to this Explanatory Memorandum.

The grant of Incentive Options encourages Mr Philip G Crabb and Mr Frank DeMarte, as executive Directors to have a greater involvement in the achievement of the Company's objectives and to provide an incentive to strive to that end by participating in the future growth and prosperity of the Company through Share ownership. Under the Company's current circumstances, the Directors consider (in each case in the absence of the relevant Participating Director) that the incentives intended for Mr Philip G Crabb and Mr Frank DeMarte represented by the grant of these Incentive Options are a cost effective and efficient means for the Company to provide a reward and an incentive, as opposed to alternative forms of incentive, such as the payment of additional cash compensation.

Under the Company's current circumstances, the Directors consider that the grant of Incentive Options to Mr Malcolm R J Randall represents a cost effective way for the Company to remunerate Mr Malcolm R J Randall, as opposed to cash remuneration and it is designed to attract and retain suitably qualified non-executive directors, and to align their interests with the interests of other security holders. The Incentive Options do not have any performance hurdles attached to them.

The number of Incentive Options to be granted to each of the Participating Directors has been determined based upon a consideration of:

- (a) the remuneration of the Directors;
- (b) the extensive experience and reputation of the Participating Directors within the resources industry;
- (c) the current price of Shares;
- (d) the Directors' wish to ensure that the remuneration offered is competitive with market standards or/and practice. The Directors have considered the proposed number of Incentive Options to be granted and will ensure that the Participating Directors' overall remuneration is in line with market practice;
- (e) attracting and retaining suitably qualified non-executive directors; and
- (f) incentives to attract and ensure continuity of service of Directors who have appropriate knowledge and expertise, while maintaining the Company's cash reserves. The Company does not consider that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Incentive Options upon the terms proposed.

Participating Directors current holdings

Set out below are details of each of the Participating Directors' relevant interest in securities of the Company as at the date of this Notice:

Director	Number of Shares	Number of Options
Mr Philip G Crabb	54,485,564	1,000,000
Mr Frank DeMarte	4,655,193	7,000,000
Mr Malcolm R J Randall	1,009,191	2,750,000
Total	60,149,948	10,750,000

Dilution effect of grant of Incentive Options on existing members' interests

If passed, Resolutions 3, 4 and 5 will give the Directors power to grant a total of 3,000,000 Incentive Options on the terms and conditions as set out in Annexure A to this Explanatory Memorandum and as otherwise mentioned above.

The Company currently has 337,315,665 (listed Shares and the following unlisted Options on issue:

Security	Number	Exercise Price / Performance Hurdle	Expiry Date
Option	6,750,000	\$0.84	27 February 2016
Option	2,000,000	\$0.23	28 February 2017
Option	11,500,000	\$0.06	28 February 2019
Option	500,000	\$0.06	18 March 2017
Option	3,150,000	\$0.08	4 September 2018
Total	23,900,000		

If all Incentive Options granted as proposed above are exercised, and assuming all existing Options on issue which are "in the money" as at the date of this Notice have been exercised, the effect would be to dilute the shareholding of existing Shareholders by 5.48%. The market price of the Company's Shares during the period of the Incentive Options will normally determine whether or not the Participating Directors exercise the Incentive Options. At the time any Incentive Options are exercised and Shares are issued pursuant to the exercise of the

Incentive Options, the Company's Shares may be trading at a price which is higher than the exercise price of the Incentive Options.

The Incentive Options will not be quoted on ASX.

Participating Directors' total remuneration package

The Participating Directors' fees per annum (including superannuation) and the total financial benefit to be received by them in this current period, as a result of the grant of the Incentive Options the subject of Resolutions 3, 4 and 5, are as follows:

Director	Remuneration p.a. (A\$)	Value of Incentive Options (A\$)	Total financial benefit (A\$)
Mr Philip G Crabb	69,299	34,875	104,174
Mr Frank DeMarte	219,655	69,750	289,405
Mr Malcolm R J Randall	53,655	34,875	88,530

The indicative option valuation of A\$139,500 is a theoretical valuation of each Incentive Option using the Black – Scholes Model.

Valuation of Incentive Options

The Company's advisers have valued the Incentive Options to be granted to the Participating Directors using the Black – Scholes Model. The value of an Option calculated by the Black – Scholes Model is a function of a number of variables.

The valuation of the Incentive Options has been prepared using the following assumptions:

Variable	Input
Share price	\$0.069
Exercise price	\$0.08
Risk free interest rate	2.34%
Volatility	87%
Time (years to expiry)	5 years

The Company's advisers have calculated the value of each Incentive Option based on the following assumptions:

- (a) they have based the underlying value of each Share in the Company on the ASX closing price of A\$0.069 on 17 December 2015, being the date of valuation of the Incentive Options;
- (b) risk free rate of return –2.34% (estimated, based on the 5 year Australian treasury bond rate as at 17 December 2015); and
- (c) they used a volatility of the Share price of 87% as determined from the daily movements in Share price over the last 12 months, adjusted for abnormal trading.

Based on the above assumptions, the Company's advisers have calculated an indicative value of one Incentive Option to be A\$0.0465.

Any change in the variables applied in the Black – Scholes calculation between the date of the valuation and the date the Incentive Options are granted would have an impact on their value.

Company's historical Share price

The following table gives details of the highest, lowest and latest closing prices of the Company's Shares trading on ASX over the past 12 months ending on 18 December 2015:

Highest Price (A\$)/Date	Lowest Price (A\$)/Date	Latest Price on 18 December 2015 (A\$)/Date
A\$0.14.5 – 24 June 2015	A\$0.066 – 1 and 7 April 2015 and from 199 to 23 November 2015	A\$0.067 – 18 December 2015

Other Information

Under the Australian Equivalent of the International Financial Reporting Standards, the Company is required to expense the value of the Incentive Options in its statement of financial performance for the current financial year.

Other than as disclosed in this Explanatory Memorandum, the Directors do not consider that from an economic and commercial point of view, there are any costs or detriments including opportunity costs or taxation consequences for the Company or benefits foregone by the Company in granting the Incentive Options pursuant to Resolutions 3, 4 and 5.

Neither the Directors nor the Company are aware of other information that would be reasonably required by Shareholders to make a decision in relation to the financial benefits contemplated by Resolutions 3, 4 and 5.

Directors' recommendation

All the Directors were available to make a recommendation.

Messrs DeMarte and Randall also decline to make a recommendation about Resolution 3. ASIC Regulatory Guide 76: Related Party Transactions notes at paragraph 76.103 that it is good practice for directors to avoid making a recommendation for resolutions about each other's remuneration as there may be a conflict of interest. Mr Frank DeMarte declines to make a recommendation about Resolution 4 as he has a material personal interest in the outcome of that particular Resolution as it relates to the proposed grant of Incentive Options to him individually (or his nominee(s)). Information Requirements - Listing Rules 10.11 and 10.13

Listing Rule 10.11 requires Shareholder approval by ordinary resolution for any issue of securities by a listed company to a related party. Accordingly, Listing Rule 10.11 requires Shareholders to approve the grant of Incentive Options to the Participating Directors.

The following information in relation to the Incentive Options to be granted pursuant to Resolutions 3, 4 and 5 is provided to Shareholders for the purposes of Listing Rule 10.13:

- (c) the Incentive Options will be granted to the Participating Directors, or their nominees, as noted above;

Mr Frank DeMarte, or his nominee	1,500,000
Mr Malcolm R J Randall, or his nominee	750,000

Voting

Note that a voting exclusion applies to Resolutions 3, 4 and 5 in the terms set out in the Notice of Meeting. In particular, the Directors and other Restricted Voters may not vote on this Resolution and may not cast a vote as proxy, unless the appointment gives a direction on how to vote or the proxy is given to the Chair and expressly authorises the Chair to exercise your proxy, even if the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel. The Chair intends to use any such proxies to vote in favour of the Resolutions.

Shareholders are urged to carefully read the Proxy Form and provide a direction to the proxy on how to vote on these Resolutions.

RESOLUTION 6 – APPROVAL OF ISSUE OF SECURITIES UNDER EMPLOYEE SHARE OPTION PLAN

In 2008, the Directors considered it desirable to establish an employee incentive scheme pursuant to which employees and Directors may be offered the opportunity to be granted options in order to attract persons of experience and ability to employment with the Company and provide incentive to the employees to remain in their employment in the long term. Accordingly, on 15 December 2008, the Directors adopted the Thundelarra Limited Employee Share Option Plan (**Old Plan**). The Old Plan was consistent with ASIC Class Order 03/184 (**CO 03/184**), which provides relief from certain provisions of the Corporations Act relating to disclosure, on-sale, licensing and hawking. The Old Plan was last approved by Shareholders at the Company's annual general meeting held on 28 February 2013.

The structure of employee incentive schemes has changed over the years, and CO 03/184 was not covering the new employee incentive schemes that companies wanted to put in place. Further, in recent years there has been increasing confusion as to the operation of CO 03/184, in particular who can participate in an employee incentive scheme and what financial products can be offered. In response to this in October 2014, ASIC issued a new class order, ASIC Class Order 14/1000 (**CO 14/1000**), which governs employee incentive schemes. Accordingly, the Board has resolved to adopt a new employee share option plan (**Plan**) that is consistent with CO 14/1000.

Like the Old Plan, the Plan is designed to provide incentives to the employees and Directors of the Company and to recognise their contribution to the Company's success. Under the Company's current circumstances, the

Directors consider that the incentives to employees and Directors are a cost effective and efficient incentive for the Company as opposed to alternative forms of incentives such as cash bonuses or increased remuneration. To enable the Company to secure employees and Directors who can assist the Company in achieving its objectives, it is necessary to provide remuneration and incentives to such personnel. The Plan is designed to achieve this objective, by encouraging continued improvement in performance over time and by encouraging personnel to acquire and retain significant shareholdings in the Company.

Shareholder approval is required if any issue of Options pursuant to the Plan is to fall within the exception to the calculation of the 15% limit imposed by Listing Rule 7.1 on the number of securities which may be issued without Shareholder approval. Accordingly, Shareholder approval is sought for the purposes of Listing Rule 7.2 Exception 9(b) which provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme that has been approved by the holders of ordinary securities within three years of the date of issue. This will preserve the Company's ability to issue securities under Listing Rule 7.1 for other purposes, such as capital raising. Prior Shareholder approval will be required before any Director or other related party of the Company can participate in the Plan.

In accordance with the requirements of Listing Rule 7.2 Exception 9(b), the following information is provided to Shareholders:

- (a) a summary of the rules of the Plan is set out in Annexure B to the Notice;
- (b) the Plan has not previously been approved by Shareholders. However, as noted above, the Company had in place the Old Plan, which was approved by Shareholders at the Company's annual general meeting held on 28 February 2013. A total of 8,900,000 Options have been issued pursuant to the Old Plan since the Old Plan was last approved as follows:

Number of options	Exercise Price	Expiry Date
750,000	\$0.06	18 March 2017
5,000,000	\$0.06	28 February 2018
3,150,000	\$0.08	4 September 2018

- (c) a voting exclusion statement has been included for the purposes of Resolution 6.

RESOLUTION 7 – APPROVAL OF ADDITIONAL 10% PLACEMENT CAPACITY

Background

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital over a 12 month period after the Annual General Meeting at which a resolution for the purposes of Listing Rule 7.1A is passed by special resolution (**Additional 10% Placement Capacity**). The Additional 10% Placement Capacity is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An entity will be eligible to seek approval under Listing Rule 7.1A if:

- (a) the entity has a market capitalisation of \$300 million or less; and
- (b) the entity that is not included in the S&P ASX 300 Index.

The Company has a market capitalisation of \$22.6 million as at the date of this Notice and is an eligible entity for the purposes of Listing Rule 7.1A.

The number of Equity Securities to be issued under the Additional 10% Placement Capacity will be determined in accordance with the formula set out in Listing Rule 7.1A.2.

Resolution 7 seeks Shareholders' approval to issue additional Equity Securities under the Additional 10% Placement Capacity. The approval of the Additional 10% Placement Capacity provides greater flexibility for the Board to issue Shares in the 12-month period following the Meeting. It is anticipated that funds raised by the issue of Equity Securities under the Additional 10% Placement Capacity would be applied towards the Company's exploration activities, the acquisition of new assets (should suitable assets be found), administration costs and general working capital.

Listing Rule 7.1A

The effect of Resolution 7 will be to permit the Company to issue the Equity Securities under Listing Rule 7.1A during the Additional Placement Period (as defined below) without using the Company's 15% placement capacity under Listing Rule 7.1.

Equity Securities issued under the Additional 10% Placement Capacity must be in the same class as an existing quoted class of Equity Securities of the Company. As at the date of this Notice the Company has quoted Shares on issue.

Based on the number of Shares on issue at the date of this Notice, the Company will have 337,315,665 Shares on issue and therefore, subject to Shareholder approval being obtained under Resolution 7, 33,731,567 Equity Securities will be permitted to be issued in accordance with Listing Rule 7.1A. Shareholders should note that the calculation of the number of Equity Securities permitted to be issued under the Additional 10% Placement Capacity is a moving calculation and will be based the formula set out in Listing Rule 7.1A.2 at the time of issue of the Equity Securities, that formula is:

$(A \times D) - E$

A is the number of Shares on issue 12 months before the date of issue or agreement:

- (a) plus the number of fully paid Shares issued in the 12 months under an exception in Listing Rule 7.2;
- (b) plus the number of partly paid Shares that became fully paid in the 12 months;
- (c) plus the number of fully paid Shares issued in the 12 months with approval of holders of Shares under Listing Rules 7.1 and 7.4. This does not include an issue of fully paid Shares under the entity's 15% placement capacity without Shareholder approval;
- (d) less the number of fully paid Shares cancelled in the 12 months.

Note that 'A' is has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue, that are not issued with the approval of Shareholders under Listing Rules 7.1 or 7.4.

Shareholders should note that the calculation of the number of Equity Securities permitted to be issued under the 10% Placement Capacity is a moving calculation and will be based on the formula set out in Listing Rule 7.1A at the time of issue of the Equity Securities. Shareholders will be kept fully informed of any issue of Equity Securities under the 10% Placement Capacity as the Company will disclose to the market at the time of issue the specific information required by Listing Rule 3.10.5A (such as details of dilution of existing Shareholders) in addition to information required by Listing Rule 7.1A.4, Appendix 3B and any other applicable listing rules. The table below demonstrates various examples as to the number of Equity Securities that may be issued under the Additional 10% Placement Capacity.

For the reasons set out above, the Directors of the Company unanimously recommend that Shareholders vote to approve Resolution 7.

Resolution 7 is a special resolution, requiring approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative) in order to be passed.

Specific information required by Listing Rule 7.3A

The following information in relation to the Shares proposed to be issued is provided to Shareholders for the purposes of Listing Rule 7.3A:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the volume weighted average price for the Company's Equity Securities over the 15 Trading Days on which trades in the class were recorded immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within five Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) If Resolution 7 is approved by Shareholders and the Company issues Equity Securities under the Additional 10% Placement Capacity, Shareholders who do not participate (either because they are not invited to participate or because they elect not to participate) in any such issue, will have their existing interest and voting power in the Company diluted. There is also a risk that:
 - (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting;
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities; or
 - (iii) the Equity Securities may be issued for non-cash consideration,,which may have an effect on the amount of funds raised by the issue of Equity Securities under the Additional 10% Placement Capacity.
- (c) The table below shows the dilution of existing Shareholders upon the issue of the maximum number of Equity Securities under the Additional 10% Placement Capacity, using different variables for the number of ordinary securities for variable 'A' (as defined in Listing Rule 7.1A) and the market price of Shares. It is noted that variable 'A' is based on the number of ordinary securities the Company has on issue at the time of the proposed issue of Equity Securities.

The table shows:

- (i) examples of where variable 'A' is at its current level, and where variable 'A' has increased by 50% and by 100%;
- (ii) examples of where the issue price of ordinary securities is the current market price as at close of trade on 18 December 2015, being \$0.067, (current market price), where the issue price is halved, and where it is doubled; and
- (iii) that the dilutionary effect will always be 10% if the maximum number of Equity Securities that may be issued under the Additional 10% Placement Capacity are issued.

Variable 'A'	Number of Shares issued and funds raised under the Additional 10% Placement Capacity and dilution effect	Dilution		
		\$0.0335 Issue Price at half the current market price	\$0.067 Issue Price at current market price	\$0.134 Issue Price at double the current market price

	Funds raised	\$2,260,014.96	\$4,520,029.91	\$9,040,059.82
	Dilution	10%	10%	10%

Note: This table assumes:

- (a) No Shares are issued before the date of issue of the Equity Securities. If further Shares are issued and Shareholder do not participate in the issue, their ownership and voting power in the Company will be further diluted.
- (b) No Options are exercised before the date of the issue of the Equity Securities.
- (c) The issue of Equity Securities under the Additional 10% Placement Capacity consists only of Shares.
- (d) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Additional 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.

- (d) Approval of the Additional 10% Placement Capacity will be valid during the period (**Additional Placement Period**) from the date of the Meeting and will expire on the earlier of:
 - (i) the date that is 12 months after the date of the Meeting; and
 - (ii) the date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).
- (e) The Company may seek to issue the Equity Securities for the following purposes:
 - (i) If Equity Securities are issued for cash consideration, the Company intends to use the funds for exploration activities, the acquisition of new assets (should suitable assets be found), administration costs and general working capital; and
 - (ii) If Equity Securities are issued for non-cash consideration to acquire access to strategic tenements or assets identified by the Company to further existing projects and future growth. If Equity Securities are issued for non-cash consideration, the Company will comply with the minimum issue price limitation under Listing Rule 7.1A.3 in relation to such issue and will release the valuation of the non-cash consideration to the market.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.3 and 3.10.5A upon issue of any Equity Securities.

- (f) The identity of the persons to whom Shares will be issued is not yet known and will be determined on a case by case basis having regard to market conditions at the time of the proposed issue of Equity Securities, including consideration of matters including, but not limited to:

- (i) the ability of the Company to raise funds at the time of the proposed issue of Equity Securities and whether the raising of any funds under such placement could be carried out by means of an entitlements offer, or a placement and an entitlements offer;
- (ii) the dilutionary effect of the proposed issue of the Equity Securities on existing Shareholders at the time of proposed issued of Equity Securities;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from its professional advisers, including corporate, financial and broking advisers (if applicable).

The persons to whom Shares will be issued under the Additional 10% Placement Capacity have not been determined as at the date of this Notice, but will not include related parties (or their Associates) of the Company. In the 12 months preceding the date of the Meeting, the Company has issued 21,207,166 Equity Securities, which represents 5.48% of the total number of Equity Securities on issue at the commencement of that 12 month period. Set out in Annexure C is information in relation to each issue of Equity Securities in the 12 months preceding the date of the Meeting.

- (g) A voting exclusion statement is included in the Notice. The Company has not approached, and has not yet determined to approach, any particular existing security holders or an identifiable class of existing security holders to participate in an offer under the Additional 10% Placement Capacity, therefore no existing security holders' votes would be excluded under the voting exclusion statement included in this Notice.

RESOLUTION 8 – APPROVAL TO ISSUE SHARES

Resolution 8 seeks Shareholder approval for the purpose of Listing Rule 7.1 and for all other purposes for the issue of a maximum of 50,000,000 Shares at an issue price of not less than 80% of the volume weighted average market price of the of the closing sale price of the Company's Shares on the ASX, calculated over the last five days on which sales of the Shares are recorded immediately preceding the date of issue (or, if there is a prospectus, product disclosure statement or offer information statement relating to the issue, over the last five days on which sales in the Shares were recorded before the date of the prospectus, product disclosure statement or offer information statement is signed).

The Company seeks to have the flexibility to issue these Shares to progress exploration and evaluation of the gold tenements held by Red Dragon Mines NL (the Company's wholly owned subsidiary) and administration costs . ASX Listing Rule 7.1 broadly provides that a company must not, subject to certain exceptions, issue during any 12 month period any equity securities or other securities with rights of conversion to equity if the number of those securities exceeds 15% of the total ordinary securities on issue at the commencement of that 12 month period. However, where shareholders have previously approved the issue, those shares are not taken into account in the calculation of the 15% threshold.

The effect (on an undiluted basis) on the capital structure of the Company if all 50,000,000 Shares are issued can be summarised as follows:

Shares	Number	Percentage of Shares based on Total Shares upon completion of Placement being 100%
Shares currently on issue	337,315,665	87%
Shares that may be issued with approval under Resolution 8	50,000,000	13%
Total Shares if Shares the subject of Resolution 8 are issued	387,315,665	100%

There will be no changes to the number of Options on issue.

The following information in relation to the Shares to be issued is provided to Shareholders for the purposes of Listing Rule 7.3:

- (a) the maximum number of Shares the Company can issue is 50,000,000 Shares;
- (b) the Company will issue the Shares no later than three months after the date of the Meeting, unless otherwise extended by way of ASX granting a waiver to the Listing Rules;
- (c) the Shares will be issued at a price not less than 80% of the volume weighted average market price of the closing sale price of Shares on the ASX, calculated over the last five days on which sales of the Shares are recorded immediately preceding the date of issue (or, if there is a prospectus relating to the issue, over the last five days on which sales in the Shares were recorded before the date of the prospectus);
- (d) the Shares will be issued to applicants to be determined by the Directors. No decision has, as yet, been made by the Directors in respect of determining the identity of the persons to whom Shares will be issued, save that those persons will be sophisticated or professional investors that are unrelated parties of the Company;
- (e) the Shares will be fully paid ordinary Shares in the capital of the Company and rank equally in all respects with the existing fully paid ordinary Shares on issue;
- (f) the funds raised by the issue will be used to progress exploration and evaluation of the gold tenements held by Red Dragon Mines NL (the Company's wholly owned subsidiary) and administration costs; and
- (g) the Shares may be issued on one date or progressively as required.

In the event of any reorganisation (including consolidation, sub-division, reduction or return) of the issued capital of THX prior to the Expiry Date, the rights of the Optionholder will be changed to the extent necessary to comply with the Listing Rules applying to a reorganisation of capital at the time of the reorganisation;

9. If there is a pro rata issue (except a bonus issue) to THX shareholders, the exercise price of an Option will be reduced according to the following formula:

$$O^n = O - \frac{E [(P - (S + D))]}{N + 1}$$

Where:

- O^n = the new exercise price of the Option;
- O = the old exercise price of the Option;
- E = the number of underlying securities into which one Option is exercisable;
- P = the average market price of Shares (weighted by reference to volume) sold in the ordinary course of trading on ASX during the five trading days ending on the day before the ex rights date or the ex entitlements date;
- S = the subscription price for new Shares issued under the pro rata issue;
- D = any dividends due but not yet paid on the existing Shares (except those to be issued under the pro rata issue); and
- N = the number of Shares with rights or entitlements that must be held to receive a right to one new Share.

10. If there is a bonus issue to THX shareholders, the number of Shares over which an Option is exercisable will be increased by the number of Shares which the Optionholder would have received if the Option had been exercised before the record date for the bonus issue; and
11. Shares allotted and issued pursuant to the exercise of the Options will be allotted and issued on the above terms and conditions not more than 14 days after the receipt of a properly executed Option exercise form and the exercise price in respect of the Option.

- (k) **Breach, fraud or dishonesty:** If in the opinion of the Board a Participant acts fraudulently or dishonestly or is in material breach of his or her obligations to the Company or any of its subsidiaries, then the Board may determine that all the Participant's Options lapse.

- (m) **Amendments to terms of exercise of the Options:** Subject to the Corporations Act and/or the Listing Rules, the Board may vary the terms of exercise of Options, and may reduce or waive vesting conditions. However, no variation to the terms of exercise of an Option will be made without the consent of the Participant if it would have a material prejudicial effect on them, unless introduced primarily to comply with the law or plan, to correct manifest error or to enable regulatory compliance.
