2. Action to be taken by Shareholders

Shareholders should read this Explanatory Memorandum carefully before deciding how to vote on the Resolutions.

A Shareholder entitled to attend and vote at the Meeting is entitled to appoint not more than two other persons (whether members of the Company or not) as proxy or proxies to attend in the Shareholder's place at the Meeting.

A Proxy Form is attached to the Notice. This is to be used by Shareholders if they wish to appoint a representative (a 'proxy') to vote in their place. All Shareholders are invited and encouraged to attend the Meeting or, if they are unable to attend in person, sign and return the Proxy Form to the Company in accordance with the instructions provided. Lodgement of a Proxy Form will not preclude a Shareholder from attending and voting at the Meeting in person.

The Company must receive your duly completed Proxy Form by no later than 10:00am (WST) on 28 November 2015.

3. Financial Report and Reports of the Directors and Auditors

The Company's Financial Report for the year ended 30 June 2015 is set out in the Company's 2015 Annual Report. In accordance with the Corporations Act, Shareholders will be given a reasonable opportunity at the Annual General Meeting to ask questions and make comments on the Financial Report and on the business and management of the Company.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.kibaranresources.com.

During the discussion of this item, the Company's auditor will be present and will answer qualifying questions.

Written questions for the auditor

If you would like to submit a written question to the Company's auditor, please post your question to the Company Secretary or fax it to (618) 6380 1003. Written questions must relate to the content of the auditor's report to be considered at the Annual General Meeting or the conduct of the audit. A list of qualifying questions will be made available at the Annual General Meeting.

Please note that all questions must be received at least five Business Days before the Annual General Meeting, that is by no later than 10:00am (WST) on 23 November 2015.

4. Resolution 1 – Adoption of Remuneration Report

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the Directors or the Company.

The remuneration report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The remuneration report is part of the Directors' report contained in the annual financial report of the Company for the financial year ending 30 June 2015 which is also available on the Company's website at www.kibaranresources.com.

A reasonable opportunity will be provided for questions and discussion about the remuneration report at the Annual General Meeting.

Under changes to the Corporations Act which came into effect on 1 July 2011, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene an extraordinary general meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the Directors who were in office when the Directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the Company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as Directors is approved will be the Directors of the Company.

At the Company's 2014 annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

Shareholders appointing a proxy for this Resolution should note the following:

Proxy	Directions given	No directions given
Key Management Personnel ¹	Vote as directed	Unable to vote ³
Chair ²	Vote as directed	Able to vote at discretion of Proxy ⁴
Other	Vote as directed	Able to vote at discretion of Proxy

Notes:

¹ Refers to Key Management Personnel (other than the Chair) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member.

² Refers to the Chair (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report), or a Closely Related Party of such a member).

³ Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.

⁴ The Proxy Form notes it is the Chair's intention to vote all undirected proxies in favour of all Resolutions.

5. Resolution 2 – Re-election of Grant Pierce

Article 6.1 of the Constitution requires that one third of the Directors must retire at each annual general meeting (or, if their number is not three or a multiple of three, then the number nearest to but not exceeding one third).

Article 6.4 provides that a Director who retires under Article 6.1 is eligible for re-election. Pursuant to these Articles of the Constitution, Grant Pierce will retire by rotation and seek re-election.

Mr Pierce has been a Director of Kibaran for over 2.5 years having been appointed to the Board on as a Non-Executive Director on 16 January 2013. On 1 August 2014 Mr Pierce was appointed as an Executive Director.

Grant Pierce (BEng (Mining), First Class Mine Managers Certificate (WA & NT), FAusIMM, Assoc AICD) is a mining engineer with over 25 years of experience in both open-pit and underground mining operations and in a range of commodities including gold, copper, copper/cobalt, nickel, iron ore and rare earth elements. He has extensive management experience, having held numerous senior operational management roles with both mining and exploration companies operating in Africa.

Grant was a member of the development team that built Tanzania's first modern gold mine, Resolute's Golden Pride Project and was Operations Manager of the mine for its first 6 years of production. Other senior roles include Executive General Manager (Tanzania) for Barrick Gold Corporation during which time the Tulawaka Gold Mine came online and General Manager (Operations) for Perseus Mining Limited, from the environmental permitting phase through construction, to the Edikan Mine's first gold pour.

Grant was awarded the Order of Australia Medal in 2003 for his personal contribution to social development in rural Tanzania. In 2006 he was also awarded Tanzania's Zeze Award, the highest accolade for outstanding contribution to Tanzania's cultural development.

Mr Pierce does not currently hold any directorships in listed companies and has not held any directorships in the past three years.

Directors' Recommendation in relation to Resolution 2

The Board considers Mr Pierce is not an independent director.

The Directors (other than Grant Pierce) recommend that you vote in favour of Resolution 2.

6. Resolution 3 – Approval of 10% placement facility under Listing Rule 7.1A

6.1 General

ASX Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of their issued capital through placements over a 12 month period after the annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$32,978,349.96 based on the number of Shares on issue (169,110,728) as at the date of this Notice (9 October 2015) and the closing price of Shares (\$0.195) on the ASX on the trading day prior to the date of this Notice (8 October 2015).

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility.

The exact number of Equity Securities that the Company will have the capacity to issue under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to section 6.2 (c) below).

The Directors of the Company believe that Resolution 3 is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution.

6.2 Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting.

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

As at the date of this Notice, the only class of Equity Securities in the Company quoted on the ASX are the Shares.

(c) Formula for calculation 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the period of the approval (described at section 6.2(f) below), a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of shares on issue 12 months before the date of issue or agreement:

- (i) Plus the number of fully paid ordinary shares issued in the 12 months under an exception in Listing Rule 7.2;
- (ii) Plus the number of partly paid shares that became fully paid in the 12 months;
- (iii) Plus the number of fully paid ordinary shares issued in the 12 months with approval of holders of fully paid ordinary shares under Listing Rules 7.1 or 7.4. This does not include an issue of fully paid ordinary shares under the entity's 15% placement capacity without shareholder approval;
- (iv) Less the number of fully paid ordinary shares cancelled in the 12 months.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

(d) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

At the date of this Notice, the Company has on issue 169,110,728 shares and has capacity to issue 23,662,878 Equity Securities under Listing Rule 7.1 and 16,762,922 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to section 6.2 (c) above)

(e) Minimum Issue Price

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the volume weighted average price of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that relevant class were recorded immediately before:

- (i) The date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) If the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) 10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) The date that is 12 months after the date of the annual general meeting at which the approval is obtained; or
- (ii) The date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

or such longer period if allowed by ASX (**10% Placement Period**).

6.3 Listing Rule 7.1A

The effect of Resolution 3 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

Resolution 3 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

6.4 Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the volume weighted average price for the Company's Equity Securities in the same class calculated over the 15 Trading Days on which trades in that relevant class were recorded immediately before:
 - (i) The date on which the price at which the Equity Securities are to be issued is agreed; or

- (ii) If the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) If Resolution 3 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. There is a risk that:
- (i) The market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- (ii) The Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities are issued as part of the consideration for the acquisition of a new asset,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable 'A' calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- (i) Two examples where variable 'A' has increased, by 50% and 100%. Variable 'A' is based on the number of ordinary securities the Company has on issue as at 8 October 2015. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) Two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the last traded price on ASX as at 8 October 2015.

Variable 'A' in Listing Rule 7.1A.2		Dilution		
		\$0.0975 50% decrease in Issue Price	\$0.195 Issue Price	\$0.39 100% increase in Issue Price
Current Variable 'A' 169,110,728	10% Voting Dilution	16,911,072 Shares	16,911,072 Shares	16,911,072 Shares
	Funds Raised	\$ 1,648,830	\$3,297,659	\$6,595,318
50% increase in current variable 'A' 253,666,092	10% Voting Dilution	25,366,609 Shares	25,366,609 Shares	25,366,609 Shares
	Funds Raised	\$2,473,244	\$4,946,489	\$9,892,978
100% increase in current variable 'A' 338,221,456	10% Voting Dilution	33,822,145 Shares	33,822,145 Shares	33,822,145 Shares
	Funds Raised	\$3,297,659	\$6,595,318	\$13,190,636

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility;
 - (ii) The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
 - (iii) No Options are exercised into Shares before the date of the issue of Equity Securities;
 - (iv) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%;
 - (v) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting;
 - (vi) The table shows only the effect of issue of Equity Securities under Listing Rule 7.1A not under the 15% placement capacity under Listing Rule 7.1;
 - (vii) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
- (c) The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 3 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities or Listing Rule 11.2 (disposal of main undertaking)).
- (d) The Company may seek to issue the Equity Securities for the following purposes:
- (i) Non-cash consideration for the acquisition of assets such as mineral exploration tenements, or a business or company holding mineral exploration tenements. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or
 - (ii) Cash consideration. In such circumstances, the Company intends to use the funds raised towards continued exploration and feasibility study expenditure on the Company's current assets and/or general working capital.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A upon issue of any Equity Securities.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case by case basis having regard to the factors including but not limited to the following:

- (i) The methods for raising funds available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
- (ii) The effect of the issue of the Equity Securities on the control of the Company;
- (iii) The financial situation and solvency of the Company; and
- (iv) Advice from corporate, financial and broking advisors (if available).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

- (e) The Company previously obtained approval under Listing Rule 7.1A at its AGM on 20 November 2014 (**Previous Approval**). The Company has not issued any Equity Securities pursuant to the Previous Approval. Since the 2014 AGM the Company has issued a total of 48,600,031 Equity Securities (comprising 42,800,031 Shares and 5,800,000 Unquoted Options), representing approximately 31.2% of the total diluted number of Equity Securities on issue 12 months prior to the date of the Meeting (being 155,709,585 Equity Securities on 30 November 2014). These issued Equity Securities are:

The full terms and conditions were disclosed in the notice of meeting for the shareholder meeting held on 30 June 2015.
4. This is a statement of current intentions as at the date of this Notice. As with any budget, intervening events and new circumstances have the potential to affect the manner in which the funds are ultimately applied. The Board reserves the right to alter the way the funds are applied on this basis.
5. In respect of quoted Equity Securities the value is based on the closing price of Shares on 8 October 2015 (\$0.195). In respect of unquoted Equity Securities the value of Options is measured using the Black & Scholes option pricing model. Measurement inputs include the Share price on the measurement date, the exercise price, the term of the Option, the impact of dilution, the expected volatility of the underlying Share (based on weighted average historic volatility adjusted for changes expected due to publicly available information), the expected dividend yield and the risk free interest rate for the term of the Option. No account is taken of any performance conditions included in the terms of the Option other than market based performance conditions (i.e. conditions linked to the price of Shares).
6. A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class or existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in this Notice.
