Dear Elizabeth

Mirabela Nickel Limited – Request for Voluntary Suspension

Pursuant to Listing Rule 17.2, Mirabela Nickel Limited (ASX: MBN or **Company**) requests an immediate suspension of trading in its securities. As a result of the precipitous and severe decline in nickel prices, the Company is in discussion with third party financing parties.

The Company also advises that until it has concluded these discussions with its financing parties, it will not be in a position to finalise and release its financial statements for the half-year to 30 June 2015.

The Company requests that the suspension remain in place until it makes an announcement in relation to the outcome of the discussions and releases its half-yearly financial statements. The Company anticipates being able to make this announcement and release the financial statements by the end of September 2015.

The Company is not aware of any reason why the voluntary suspension should not be granted, nor of any other information that it considers necessary to inform the market about the suspension.

Yours faithfully

Linda A Tompkins
Company Secretary
