WESTERN URANIUM ANNOUNCES RESOURCE ESTIMATE FOR THE SUNDAY MINE COMPLEX

Black Range Minerals Limited (ASX:BLR) ("Black Range" or "the Company") would like to advise that Western Uranium Corp. ("Western") recently released an announcement to the Canadian Securities Exchange regarding a resource estimate and technical report on Western's Sunday Mine Complex Property.

For further details, please find a copy of the announcement under "News Releases" at:

<http://www.cnsx.ca/CNSX/Securities/Mining/Western-Uranium-Corporation.aspx>

Background

On 23 March 2015, Black Range and Western announced they had entered into a definitive Merger Implementation Agreement, pursuant to which Western has proposed to acquire all of the issued ordinary shares of Black Range by way of a Scheme of Arrangement ("Scheme") under the Australian Corporations Act 2001.

On 24 June 2015, Black Range announced that it had lodged a draft Scheme booklet with the Australian Securities and Investments Commission ("ASIC"). On receipt of ASIC's approval and following an initial Court hearing to approve the Scheme documentation, a meeting of Black Range shareholders will be convened to approve the Scheme. The Company anticipates this meeting will be held in the second half of August 2015.

Caution Regarding Forward Looking Statements

This announcement contains forward looking statements which involve a number of risks and uncertainties. These forward looking statements are expressed in good faith and believed to have a reasonable basis. These statements reflect current expectations, intentions or strategies regarding the future and assumptions based on currently available information. Should one or more risks or uncertainties materialise, or should underlying assumptions prove incorrect, actual results may vary from the expectations, intentions and strategies described in this announcement. The forward looking statements are made as at the date of this announcement and the Company disclaims any intent or obligation to update publicly such forward looking statements, whether as the result of new information, future events or results or otherwise.
