

29 July 2015

Dear Shareholder

Invitation to Participate in Tyranna Resources (IronClad Mining) Limited Share Purchase Plan

Support for the change of name at the forthcoming General Meeting has been overwhelming and the Directors are confident that the resolution to change the name from IronClad Mining Limited will receive more than the minimum percentage required of 75%.

With the change of name comes a new challenge, that of re-badging the Company following the merger with Trafford. This entails a complete makeover of IronClad starting with a new corporate identity, a change of project focus and a reduction in overheads.

With this in mind the Board of IronClad Mining Limited (ASX : IFE) is now pleased to announce a Share Purchase Plan ("SPP") to all eligible shareholders to acquire additional new shares in the Company, free of brokerage and transaction costs. "Eligible Shareholders" means existing IronClad shareholders in Australia and New Zealand who are registered on the Company's share register at 5pm WST on 24 July, 2015. This is an excellent way for those shareholders holding less than a marketable parcel to increase their shareholding, enabling them to trade on ASX.

The SPP offer provides Eligible Shareholders the ability to subscribe for between \$750 and \$15,000 worth of new IronClad shares without reference to the size of their shareholding. Shares are offered at the issue price of 2 cents per share.

Under this SPP the Company plan to raise up to \$300,000 by the issue of 15,000,000 ordinary shares at 2 cents per share to compliment the \$300,000 placement issued to sophisticated investors, announced today. The SPP represents a 16% discount to the previous 10 day volume weighted average price and a 11% discount when compared to the 15 day VWAP.

IronClad (Tyranna) is forging ahead with plans to become a gold producing company, committed to adding to shareholder wealth through the employment of all of the considerable skills and experience at its disposal to wherever worthwhile opportunities occur.

In South Australia, the Company holds a dominant tenement position, having under its control over 10,000 Km² of highly prospective ground at both Wilcherry Hill, at the northern end of the Eyre Peninsula and around the Challenger gold mine to the North of the Gawler Craton.

The 8000 km² (approx.) of IronClad controlled tenements surrounding the Challenger gold mine are highly prospective for gold and other minerals. Given the level of advanced exploration that has been undertaken since the early 1990's IronClad believe that a 500,000oz target of shallow, low cost gold ore is achievable in the medium term. Under the terms of the joint venture with Kingsgate Consolidated, such ore could be treated at the Challenger gold milling facility. This would mean that only nominal capital would be required in order to commence gold production.

Further information can be obtained from IronClad's website or by following the link below:

<http://www.ironcladmining.com>

Full details of the SPP and how to participate are set out in the attached SPP offer documentation (consisting of an SPP Offer Document and an application form for the shares).

The SPP offer is made in accordance with ASIC Class Order 09/425 and therefore does not require a prospectus for the purposes of Chapter 6D of the Corporations Act.

The SPP provides shareholders the opportunity to acquire shares at a significant discount to market and is intended to raise \$300,000 (subject to discretion with eligible offers possibly being scaled back if the SPP is oversubscribed).

To apply for a parcel of shares please read these documents carefully and follow the instructions on the enclosed personalised application form. You may also wish to discuss this investment with your financial advisor.

Your continuing support as a shareholder of IronClad Mining Limited is appreciated. Participation in the SPP is optional. The Directors of IronClad intend to subscribe for shares under the SPP.

Yours sincerely

Purpose

The purpose of the Share Purchase Plan (**Plan**) is to offer shareholders of IronClad Mining Limited ABN 79 124 990 405 (**Company**) the opportunity to acquire additional fully paid ordinary shares in the Company up to a maximum value of \$15,000 without the need to pay brokerage or commission costs and without the need for the Company to issue a Prospectus as provided for in ASIC Class Order 09/425, upon such terms and conditions as the Board of IronClad Mining Limited in its absolute discretion sees fit.

Shareholders Eligibility to Participate

Participation in the Plan is open to each person registered as a holder of ordinary shares in the Company on 24 July 2015 (**Record Date**), who has an address in Australia or New Zealand (**Eligible Shareholders**) subject to the conditions detailed below.

Due to foreign security laws, it is not practical for shareholders who are resident in other countries to participate under the Plan.

Participation in the Plan is optional and is subject to the following terms and conditions. Offers made under the Plan are non-renounceable.

Joint shareholders are taken to be a single registered holding for the purpose of the Plan, and the joint holders are entitled to participate in the Plan in respect of that single holding only. If IronClad Mining Limited's share register does not record a named beneficiary in respect of your trustee or nominee holding, the rules for multiple holdings apply.

By electing to participate in the Plan, the shareholder shall be deemed to have certified that the aggregated maximum amount subscribed for under the Plan does not exceed \$15,000. Furthermore shareholders will be deemed to have confirmed, in relation to all shares applied for them under the Plan that they do not make application for any other person in circumstances which might involve any breach of securities law of any jurisdiction other than Australia and New Zealand and have agreed to

The market price of shares in IronClad Mining Limited may rise or fall between the date of this offer and the date that new shares are issued to you. This means that the issue price may be higher, equal or lower than the price of the shares traded on ASX at the time the shares applied for under the Plan are issued and allotted.

Application and Notices

At the discretion of the Directors of the Company, Eligible Shareholders will be sent the SPP offer documentation, consisting of an SPP Offer Document and an application form for the shares.

If you wish to participate in the Plan you must complete the attached personalised application form and provide payment in accordance with the instructions set out on the application form.

The number of shares to which you are entitled will be calculated by dividing the subscription amount elected by the purchase price per share.

Applications will not be accepted after 13 August 2015 (**Closing Date**) of the offer, unless the Directors elect to vary the Closing Date.

The Company reserves the right to reject any application where there is non-compliance with this rule or any other terms or conditions of the Plan.

Oversubscriptions or refunds of other application monies will be without interest.

Raising Amount and Scale back

The SPP is intended to raise a Maximum Amount of \$300,000. The Company, however, reserves absolute discretion regarding the final amount to be raised by this SPP.

If the subscriptions received by IronClad Mining Limited exceeds \$300,000 or such other amount as determined by the Directors, the Company may in its absolute discretion choose to undertake a scale back to the extent and in the manner it sees fit. Any scale back will be announced on 20 August 2015 (**Allotment Date**) unless the Directors vary the Closing Date for the SPP.

Shortfall

In the event that the SPP is not fully subscribed, any shortfall may be placed at the discretion of the Directors.

Shares Issued Under the Plan

Shares issued under the Plan will rank equally in all respects with all other ordinary fully paid shares in the Company from the date of issue.

Shareholder holding statements and/or CHESS notifications will be issued in respect of all shares.

After the issue of shares under the Plan, the Company will make application for these shares to be listed for quotation on the official list of the ASX.

Modification and Termination of the Plan

IronClad Mining Limited may settle in any manner it thinks fit, any difficulties, anomalies or disputes which may arise in connection with or by reason of the operation of the Plan, whether generally or in relation to any participant or application, and the decision of IronClad Mining Limited will be conclusive and binding on all participants and other persons to whom the determination relates.
