### **About Fatfish Internet Group**

Fatfish Internet Group Ltd ('FFG') is a Southeast Asian and Australian based Internet venture investment firm. FFG partners with entrepreneurs to help them build and grow Internet businesses via a co-entrepreneurship model.

FFG's co-entrepreneurship model seeks an active involvement from seed funding stage to exit stage of its investee companies. In parallel FFG seeks to provide a collection of resources and expertise to support entrepreneurs in important areas such as business strategy, staffing, product development and exit strategy.

This unique "seed-to-exit" approach makes FFG a strategic corporate partner that provides the funding, resources and invaluable networks to hasten the growth of promising technology businesses.

FFG's investment operation involves two business division, i.e. investing as a venture capital firm (Venture Capital Division) and operating as internet accelerators (Digital Incubator Division). FFG's credential as a value-adding investor in the Internet sector is well recognized by private and public sectors as it has been chosen for co-investment partnership with the governments of Singapore and Malaysia.

FFG's Corporate Advisory Division is a boutique corporate advisory service provider specializing in working with tech companies to bring to bear alternative funding and growth models for tech companies through Initial Public Offerings (IPOs) or capital market transactions vide trade sales or Mergers & Acquisitions (M&A).

## **Company History**

FFG was founded in 2011 in Singapore at the famed "Block 71" startups cluster by a team of co-founders that are serial entrepreneurs that have successful track records in the Internet industry. FFG has dual headquarters located in Singapore and Melbourne, Australia. FFG also operates 2 regional "launch-pad" offices in Malaysia and Indonesia.

FFG is publicly traded on the Australian Stock Exchange (ASX) with its trading symbol "FFG". The Company has been listed since July 2014 and is the first specialist Internet venture investment firm to be traded on the ASX.
