Scheme Meeting Adjourned

As foreshadowed in the announcement by Amcom Telecommunications Limited ("Amcom") (ASX:AMM) on 1 May 2015, the meeting of Amcom's shareholders to vote on the scheme of arrangement under which Vocus Communications Limited (ASX:VOC) would acquire any shares that it does not own in Amcom ("Scheme") was today adjourned by the Chairman to Monday, 18 May 2015 at 11.00 am (Perth time) at the Perth Convention Exhibition Centre, 21 Mounts Bay Road, Perth, Western Australia.

No resolutions were put to today's meeting as a result of the adjournment.

The Amcom Board supports the decision of the Chairman and considers the adjournment of the Scheme meeting is in the best interests of Amcom shareholders and is necessary to allow Amcom shareholders sufficient time to consider the announcement made by TPG Telecom Limited (ASX:TPM) on 30 April 2015.

Amcom shareholders who have questions regarding the Scheme or the adjournment should contact Amcom's shareholder information line on 1800 992 673 (within Australia) or +61 1800 992 673 (outside of Australia) Monday to Friday between 7.00 am and 4.30 pm (Perth time).
