Dear Ben

Request for Voluntary Suspension – Firestone Energy Limited

Firestone Energy Limited (ASX: FSE) hereby requests voluntary suspension in the trading of its securities effective immediately.

In accordance with ASX Listing Rule 17.2, FSE advises that:

- (a) it is seeking the voluntary suspension to allow time for its parent company, The Waterberg Coal Company Limited (ASX: WCC), to prepare and finalise documentation in relation to a proposed funding arrangement to replace its existing funding arrangements, which are due for repayment on 9 April 2015 (as announced on 17 March 2015) The completion of documentation for replacement funding represents a significant transaction and the final terms of the proposal will impact FSE's ability to carry out its future objectives;
- (b) it expects the voluntary suspension to remain in place until the earlier of:
 - (i) the date that it has made an announcement in respect of WCC's proposed funding arrangement; and
 - (ii) commencement of trade on 10 April 2015;
- (c) it is not aware of any reason why the securities should not be suspended; and
- (d) is not aware of any other information necessary to inform the market about the suspension.

Yours faithfully

E L (Lee) Boyd
Company Secretary
