

ASX Announcement

24 November 2015

Regulatory Update

The Company refers to previous announcements and confirms that on 23 November 2015 Phoenix received a response from ASQA to its submissions made on 9 November as to why ASQA should not cancel its registration as an RTO. ASQA has notified Phoenix that it has made a decision to cancel the Phoenix VET and CRICOS registrations.

Phoenix does not agree with these decisions and proposes to seek an urgent stay of the decisions and otherwise apply to the Administrative Appeals Tribunal for a review of all the decisions. If a stay is granted, Phoenix would be entitled to continue to operate as an RTO subject to any conditions the AAT might impose.
