## Market Update - Placement

The Board of Kazakhstan Potash Corporation Limited (ASX:KPC or Company) wishes to advise that it has completed a Share Placement of 16 million ordinary shares at \$0.106 per share. In addition, 2 options will be issued per share with each option being able to be exercised into 1 share of KPC at \$0.15, with an exercise period of 2 year from date of issue. This share placement has been undertaken in accordance with the motion passed by shareholders relating to the issuing of equity securities by the Company at the General Meeting held on 7 January 2015. Proceeds from the placement will be used for working capital.
