A copy of the auditor's independence declaration as required under section 307C of the Corporations Act 2001 is attached.

Note 7. Fair value measurement

The Group uses various methods in estimating the fair value of assets designated or measured at fair value. The methods comprise:

Level 1 – the fair value is calculated using quoted prices in active markets.

Level 2 – the fair value is estimated using inputs other than quoted prices included in Level 1 that are observable for the asset or liability either (as prices) or indirectly (derived from prices).

Level 3 – the fair value is estimated using inputs for the asset or liability that are not based on observable market data.

The assets carried at fair value as well as the methods used to estimate the fair value is summarised in the table below:

Fair value measurement

| | Level 1 | Level 2 | Level 3 | Total |

| | Investment Properties Mt Martha \$'000 | Investment Properties France \$'000 | Agricultural & Biological assets Trees France \$'000 | Total \$'000 |

NOTES TO THE FINANCIAL STATEMENTS FOR THE HALF-YEAR ENDED 31 DECEMBER 2014

Note 7. Fair value measurement (cont'd)

The level 3 assets and liabilities unobservable inputs and sensitivity are as follows:

| Description | Unobservable inputs | Average | Sensitivity |
|--------------------------|---------------------|---------|---|
| Freehold Land- Mt Martha | \$17,200,000 | 5.0% | 5% change would increase/decrease fair value by \$860,000 |
| Freehold land- France | \$1,414,000 | 5.0% | 5% change would increase/decrease fair value by \$70,700 |

Valuation has been based on direct comparison approach, whereby similar sales at market value have been analysed to determine value.

| | | | |
|--|-------------|------|---|
| Agricultural & Biological Assets- Trees France | \$3,345,000 | 5.0% | 5% change would increase/decrease fair value by \$167,250 |
|--|-------------|------|---|

The estimation of the woods is based on the value of consumption net of cuts made between 2003 and 2014. Consumption value reflects the product of the total sale of trees on the plot.

Note 8. Income Tax

During the year ended 30 June 2011 the operations of Cardrona ski field in New Zealand were transferred from Cardrona Ski Resort Limited to Vealls (Singapore) Pte Ltd, both wholly owned subsidiaries of the company, as part of an internal reorganisation of their functions.

Aspects of the transaction involved were complex and included, in particular, the incidence of tax. It is possible that material income tax expense could be incurred, in which case there would be a reduction in the net income and shareholders' equity of the company.

The directors, however, considered such a result unlikely and accordingly no adjustment has been made in the financial statements to reflect such an eventuality. Subsequently, New Zealand Inland Revenue commenced an audit in November 2012 of Cardrona Ski Resort Limited that is currently ongoing. This development is being assessed.

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Vealls Limited

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Vealls Limited, which comprises the consolidated statement of financial position as at 31 December 2014, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the half-year ended on that date, notes comprising a statement of accounting policies and other explanatory information, and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at the half-year's end or from time to time during the half-year.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2014 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Vealls Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Vealls Limited, would be in the same terms if given to the directors as at the time of this auditor's review report.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Vealls Limited is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2014 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and *Corporations Regulations 2001*
